Subject: Notice of Final Approval of 2012 Los Angeles County Lead Attainment SIP

Dear Colleagues --

On February 11, Regional Administrator Jared Blumenfeld signed a Federal Register notice approving the attainment plan for the Los Angeles County lead nonattainment area. The notice should be published in the Federal Register within 2 weeks. The final rule will be effective 30 days after publication.

I am attaching a fact sheet and a prepublication version of the notice. They will also be available online shortly at: <http://www.epa.gov/region9/air/actions/ca.html#south>

If you have any questions, please call me at 415-972-3183.

Thanks so much,
Elizabeth
